

Activities at spark (C23/04.01.)

Winter Semester 2025/26

NOVEMBER

Date and Time		Event	Description
Tue, 4/11	2-3pm	Workshop Learning languages on your own	Learning a language independently is not always as easy as we think. In this workshop, we'll show you how to reach your goals through planning, organizing, using AI as well as many useful apps.
Thu, 6/11	4-6pm	Learning Coaching Language meet-up for Rosetta Stone users	Open to everyone who has a license. You can come at any time during the scheduled hours and ask questions that have come up while using the platform. You can also meet others who are learning the same language as you with Rosetta Stone.
Tue, 11/11	3-3:30pm	Workshop Parlare in italiano... con le mani? The world of Italian gestures	Gestures, not words! Discover what Italians really mean with their gestures. Learning Italian is twice as fun when your hands speak too.
Thu, 13/11	5-6:30pm	Language Tandem	For everyone who wants to improve their communication skills in a language without grades or textbooks. We'll meet to form groups for specific languages and have a conversation.
Tue, 18/11	2-3:30pm	Games Afternoon Bingo in Spanish	Come by, have fun, and practice Spanish numbers at the same time.

Thu, 20/11	4:45-8pm	Movie Night „La Haine“ (Hate), by Mathieu Kassovitz	French Film (with original audio and German subtitles).
Tue, 25/11	2-3:30pm	Learning Support Exam Preparation Spanish A1-A2	For all students participating in the Spanish A1 and A2 language courses this semester.
Thu, 27/11	4-6pm	Language Coaching How can I improve my ability to learn languages independently?	You can come at any time during the scheduled hours, and we'll advise you on what to focus on to learn a language independently with clear strategies and goals.
